

RE: ERDF.PA04.0108 – Malta Red Cross PV Panels Project

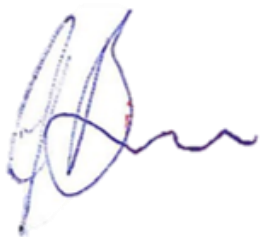

Clarification 1:

In light of the COVID-19 Regulations regarding Social Distancing, Malta Red Cross appreciates that bidders might find a difficulty in attending to a site visit.

The Society is therefore issuing document Malta Red Cross PV Panels Project Clarification 1.a which contains photos of the rooftops where the panels will be installed together with the site plans.

Any further requests for clarifications may be made in writing by email to admin.ops@redcross.org.mt

Yours sincerely,
